

Staff Architect/Designer

Cutting Edge Homes, Inc. Architects + Builders is looking for a talented, motivated, energetic, and passionate Architect/Designer to join our growing residential design and build team.

Applicant must share our passion for creating thoughtful, high quality homes built through a collaborative process with our clients and our construction team.

Applicant must meet the following requirements:

- 1-3 years of residential experience
- BArch or MArch from an accredited university
- Excellent written, verbal, and graphic communication skills
- Proficiency in 2 and 3 dimensional CAD software, Adobe Creative Suite, and Microsoft Office
- Exceptional time management skills
- Ability to thrive in a fast paced collaborative atmosphere
- Passion for all types of good design
- Architecture license not required

We value honest, reliable, and pragmatic people who are organized and focused. Strong design sensibility, creative energy, and a sense of humor are essential.

If you are committed to excellence and complete customer satisfaction and are ready to take your skills to the next level, this may be your opportunity. In addition to a competitive salary and benefits package, we offer a growing entrepreneurial environment, which recognizes and values your contributions. To be considered for this position, please submit a cover letter, resume, and portfolio.
