

Interior Designer

Cutting Edge Homes, Inc. Architects + Builders is looking for a talented, motivated, energetic, and passionate Interior Designer to join our growing residential design + build team.

Requirements include:

- Ability to work with Project Managers, in house Architects, and clients to manage interior and exterior design selections and materials
- Coordinating and managing the selection process to ensure timely delivery
- Assisting with preparing presentation packages, including creating cut-sheets, pricing, ordering samples, compiling presentation books and sheets, and rendering floor plans
- Purchasing and tracking project materials
- Maintaining vendor relationships
- Having excellent written and verbal communication skills
- Having proficiency in AutoCAD, Adobe Suite, and Microsoft Suite
- At least one year of experience working at a design firm

We value creative, positive, problem solvers who are organized and focused.

If you are committed to excellence with a client driven focus and are ready to take your skills to the next level, this is your opportunity. In addition to a competitive salary and benefits package, we offer a growing entrepreneurial environment, which recognizes and values your contributions. To be considered for this position, please submit a cover letter and resume.
