

Site Supervisor / Lead Carpenter

Cutting Edge Homes, Inc. Architects + Builders is seeking a motivated and enthusiastic Site Supervisor / Lead Carpenter for our residential remodeling & restoration projects.

Position:

Working closely with architects, designers, project managers and clients - the hired candidate will be expected to manage the day-to-day operation of the job site from launch through punch list completion.

Responsibilities include ensuring the cleanliness and safety of the job site, reading and interpreting blueprints, maintaining schedule by managing subcontractors and materials, performing hands-on carpentry, and ensuring that work is completed to CEH's exacting standards of quality with a client driven approach.

Applicant must meet the following requirements:

- At least 5-7 years of high-end residential construction experience
- Passion for your craft
- Excellent communication, problem solving, and organizational skills
- A desire to understand building science
- OSHA 10
- Valid construction Supervisor License required
- Reliable vehicle - must be willing to travel throughout Boston and metro areas
- OSHA 30 and NARI lead carpenter certification is a plus

Being excited and enthusiastic to work in an environment where every detail matters and having a positive attitude is mandatory.

We offer competitive pay, excellent benefits (health, vision, dental), 401k, paid holidays, and paid vacation
